

## REMARKS

Claims 32-44 are pending and have been rejected based on a non-statutory double patent U.S. Patent No. 6,904,946. Please note that said application is commonly owned, and, thus, a terminal disclaimer is attached hereto to overcome said rejection. Applicant now thus believes that said claims are allowable and should issue.

Should the Examiner have any further questions and/or comments, Examiner is invited to telephone Applicant's undersigned Attorney at the number below.

Respectfully submitted, this 10th day of September, 2007.
